For Sale

Set of four, 15" x 4" - 48 spoke wire wheels. They are original equipment for many 1950s/1960s British sports cars including Triumph TR2 through TR4. Very original, stamped on the interior with: **DRC4JH15PT- Made in England- G**. The wheels have been used for "show purposes only" for approximately six years. Driven sparingly but function well, rarely over 45 mph. They have never had balance weights in that period. The splines are in good shape and there are no broken spokes. Wheels are "rattle can" painted silver and the car has never taken a deduction for them, but they have aged and yellowed. With some tender loving care and elbow grease, these wheels can be restored to their original glory or continue in their present state as "show" wheels. Asking \$100 for all four wheels. If interested please contact Mike Piggott (918) 766 4488, or Mike_Piggott@Hotmail.com. If buyer is not located nearby, delivery/shipping can be arranged/negotiated. I plan to be at the SCVTR Regional convention and the VTR National Convention this year.

Set of four, Minilite Style Knockoff Wheels, 15" x 5.5" silver. See details at Moss website catalog as part number 455-385. Current retail price \$2119.96 plus tax and shipping. These wheels come with four tubeless Goodyear Eagle LS2 P195/65R15 tires; Date code 0709, with 5/32" to 7/32" tread remaining. Three wheels are pristine with one wheel having minor road rash that can be touched up. (See Photo). Wheel nuts are not included. Asking \$1000.00 for all four wheels. If interested please contact Mike Piggott (918) 766 4488, or Mike_Piggott@Hotmail.com. If buyer is not located nearby, delivery/shipping can be arranged/negotiated. I plan to be at the SCVTR Regional convention and the VTR National Convention this year.
